Applicant must have climbed Saddle Mountain and made at least two major trips of the Club. Election to membership is by

ballot of the Club. Dues \$2.00 per year.

The Angora Club welcomes the public to its outings and will be glad to admit to its membership those who are sufficiently interested to qualify.

### **THE ANGORA CLUB Organization**

The Angora Club was organized on July 4, 1920. The charter members who effected the organization of the club very fittingly chose the summit of Saddle Mountain as the site of the ceremony. Today, very few of the original members are still active in club affairs but Saddle Mountain remains the Angora shrine. The principles and ideals set forth by the organizers still provide the inspiration for club activities. Minor changes have been made to cope with changing conditions, both social and economic, but the fundamental aims of the organization remain intact.

### SCHEDULE OF HIKES OF THE ANGORA CLUB FOR THE YEAR 1934 AND 1935

#### NOVEMBER 11

**Humbug Mountain**—Thanks to the activities of the CCC's there are some new trails into this region and we should be able to see some very interesting new territory that the Angoras have not invaded for a number of years. Meet at Hildebrands at 7 A.M. Estimated cost \$1.00

#### NOVEMBER 25

**The Thanksgiving Feed at Marxens**—Who would miss this event with it's gastronomic

gymnastics and gyrations? With plenty of well-gnawed drumsticks on hand we may be able to persuade our dummer to do a twirl or two for the assembled multitude.

To give the cooks a chance we've arranged to take the gang to the big washout on the northwest side of the mountain. Details to be announced at club meeting. Estimated cost 75c. Hostess, MRS. MARY MARXEN.

#### DECEMBER 9

**East Peak—Saddle Mountain**—This peak has long been isolated but is now fairly accessible. This country should give us a new slant on our favorite peak. We go to the base on a CCC road via the "summit" of the Nehalem Valley Road. Estimated cost 75c. Details to be arranged at club meeting.

#### JANUARY 6

**Among the Sand Dunes**—Remember that swell trip we had in this territory in 1933? There are still lots of interesting things to be seen out there so we wont tell you any more about it. Leave Hildebrands at 8 A.M. Estimated cost 25c. \*

#### JANUARY 20

**Saddle Mountain**—Since there was no snow on the mountain last year lets hope for better luck this year on our "Chilblain Buster". The last storm put the trail in bad shape, so there is some doubt yet as to which way we will go in.

This trip may be changed to a week earlier or later in case the date conflicts with

the Hood Winter Sports Carnival. Estimated cost 50c—\$1.00

### FEBRUARY 3

**Arch Cape—Short Sand Beach.** Bushmen of Australia should have nothing on us on this trip. Two possible routes are to be scouted and the most logical one will be taken. But at that it's going to be a bushy trip, long to be remembered. Can you take it? Eight or ten miles round trip. Estimated cost 75c or \$1.00. Meet at Hildebrands at 7 A. M.

### FEBRUARY 17

**Mystery Trip—**Did you know that not very far from here there is a . . . but, sh-sh—. We promised not to tell. Meet at Hildebrands at 7:30 A. M. Estimated cost .00c to \$1.00

### MARCH 3

**Kerry RR To Slide—**This trip will take us to the scene of the flood of a year ago. A hike of about 3 miles will bring us to the place where the flood started. Meet at Hildebrands at 7:30 A. M. Estimated cost 75c.

### MARCH 17

**Kidders Butte—**This trip seems to be jinxed or hoodoo'd somehow. But where there is a will there is a way, and this should be the time we find it. Meet at Hildebrands at 7 A.M. Estimated cost 75c.

### MARCH 24

**Gnat Creek—**With logging activities going on in the near vicinity of the falls

there is a possibility that the beauty of this region may not long endure. This trip is always good for a lot of fun so we look forward to a big gang. Meet at Hildebrands at 7:30 A.M. Estimated cost 50c.

#### APRIL

**Seal Rookeries**—Combined with this trip is the ever-popular hike to Indian Beach. Now that there is a new trail into this region we should have plenty of time and energy to enjoy ourselves in the Rookerie. But the tide will not wait so . . . Meet at Hildebrands at 7 A.M. Estimated cost 60c.

#### APRIL 21

**Lost Lake**—Lives there an Angora with soul so dead, Who never to Himself (or herself) hath said: "Boy, Oh Boy, do we have fun on those trips to Lost Lake". The Water Taxi Service is getting better every year. This year we are going to put on a real Angora Regatta. Meet at Hildebrands at 6 A. M. Estimated cost 75c.

#### MAY 5

**Death Trap—Tillamook Head**—Of course we can't expect the same gang that we had last year but we have very good tide conditions this year even if it is a bit early in the morning. The tide is minus 1.1 feet. Meet at Hildebrands at 5 A. M. Estimated cost 60c.

#### MAY 12

**Nehalem Valley Overnight Trip**—We have all seen or heard of the beauties of the Ne-

halem valley and this is our chance to bask in them to our hearts content. At this time of the year things are at their best. Chase the moths out of the blankets and sleeping bags and come out on this trip. (Bill Barth will not be permitted to batter down the girl's tent until 5:30 A.M., this time) Details to be announced at club meeting. Estimated cost \$1.00

### MAY 26

**Saddle Mountain**—It is several years since we have invited any outside clubs to join us on a climb of Saddle Mountain. The turnout on the Death Trap trip last year showed us that there is a lot of interest in the trips down in this part of the state, so perhaps we can look forward to a good representation from other clubs on this trip this year. Details to be announced. Estimated cost 50c.

### JUNE 9

**Angora Peak**—June is the best time of the year for this trip. Two parties were rained out last fall before reaching the actual summit so it is at least five years since an Angora party has been on the summit. And we named this mountain after our own organization too. Shame on us. A nice trip of about 4 hours, hiking right from the beach at Arch Cape to an elevation of about 2000 feet. Estimated cost 75c. Meet at Hildebrands at 5:30 A.M.
